ABOUT

Mariella Minniti is a passionate Perth, Midwest and Gascoyne based makeup artist who specialises in weddings, occasions and special events.

Possessing a passion for all things beauty since a young age, Mariella decided at 12 years old that she would pursue makeup artistry as her career. Following in her beautician mother's footsteps, Mariella started her first beauty course at just 16, enrolling herself in the Australian College of Beauty Therapy.

Always abreast of the latest beauty trends and innovations, Mariella frequently travels interstate to learn the latest techniques to ensure her clients receive world-class service and products. Fully qualified and professionally trained, Mariella offers a wide range of beauty and makeup services to ensure you always look your best.

After years successfully running her home studio, Mariella opened a dedicated salon to cater to her expanding list of new and repeat clientele. Based in Geraldton and Perth (Scarborough), Mariella can travel to you, or welcome you to her newly opened boutique located in the heart of Geraldton.

Mariella's passion, talent and quality results have made her an in-demand makeup artist and beautician across a wide range of settings, including; bridal, editorial, and special events.

FACIALS

(Facial upgrades starting from \$10)

Blemish Peel: **\$85**

Repair and revitalize acne prone and congested skin. Aside from getting rid of your breakouts, it also helps to smooth and polish your skin.

Anti-Ageing Peel: **\$85**

Reduces the appearance of fine lines and wrinkles, it also increases cellular turn-over and hydrates your skin for a smoother, firmer appearance. It can also be applied on sun-damaged skin for rapid healing.

Pigmentation Peel: **\$85**

Aside from highlighting and brightening the skin, it also restores your natural skin tone and even outs hyper-pigmentation. Contains anti-inflammatory compounds that help rejuvenate the skin and infused vitamin C to help clear out pigmentation while peeling.

Deep Cleansing Facial (45min/1hr): **\$85/\$100**

A way to unwind and relax while treating your skin to a deep cleansing facial, tailored to suit your skin concerns.

Microdermabrasion: **\$100**

Non-chemical, non-invasive treatment that uses micro-crystals to remove outer layers of dead skin cells to reveal younger, healthier looking skin.

Oxo-Geneo-TriPollar: **\$200**

Gradually heats the dermal layer of the skin to stimulate the generation of new collagen and elastin bers. This results in firmer, tighter skin over time.

FACIALS

(Facial upgrades starting from \$10)

Ultrasound Product Infusion: **\$99**

Ultrasound waves penetrate below the skin's surface. The vibrations assist in the increased infusion of nutrients such as topically applied corrective skincare.

Ginger&Me Meditation Facial: **\$130**

Forget the noise of the outside world and focus on a guided mindfulness session that will calm, refresh and ultimately inspire you to 'choose your tude'. This is a facial like nothing you have ever experienced before.

Deep cleansing exfoliation, nourishing face, neck & shoulder massage with mindful massage balm, specialised facial mask, and signature meditation session.

Oxy-Geno NeoRevive: **\$149**

Reduce the signs of aging, wrinkles & inflammation with Capsugen and NeoRevive. OxyGeno treatments use the Capsugen capsule to exfoliate the skin, removing dead skin cells, and to prepare the skin to receive active nutrients. With geneO+'s unique oxygenation, plus the NeoRevive gel, the skin will be infused with active nutrients that improve texture and balance.

– OXY-GENO SUPER FACIAL –

One Session:	\$249
Two Sessions:	\$300
Three Sessions:	\$450
Four Sessions:	\$600
Five Sessions:	\$750
Six Sessions:	\$900

About Oxy-Geno Super Facial:

Provides 3 effective facial treatments simultaneously. It combines gentle exfoliation, natural skin oxygenation, and a deep facial rejuvenation with the infusion of essential revitalizing nutrients. This facial is safe for any skin type.

Plump and hydrate, restore skin volume, renew youthful glow, revitalize dull complexion, reduce appearance of wrinkles, firm skin and tighten pores, improve skin cell production, and reduce appearance of pigmentation.

— LED LIGHT THERAPY —

One Session:	\$129
Two Sessions:	\$220
Three Sessions:	\$297
Four Sessions:	\$396
Five Sessions:	\$495
Six Sessions:	\$594

About LED Light Therapy:

The better your skin looks, the more beautiful you feel. LED Light Therapy is a pain-free, non-invasive, soothing and rejuvenating skin treatment.

This treatment will help treat acne breakouts, post inflammatory scarring and rosacea. It will not only help minimise acne, but also soothe your skin and reduce both redness and inflammation.

Observe Skin Imaging (3D Skin Analysis): \$50

The skin is much more complex than what can be seen with the naked eye – that's why we use the Observe 520 for professional skin analysis.

With advanced analysis technology we can view blemishes, fine lines, dryness and uneven skin tone in depth. This allows us to better understand your unique skin concerns to treat existing imperfections, and even address underlying concerns before they become visible.

— SKIN NEEDLING —

One Session:	\$400
Two Sessions:	\$500
Three Sessions:	\$600
Four Sessions:	\$700
Five Sessions:	\$800
Six Sessions:	\$900
Seven Sessions:	\$1,000

About Skin Needling:

Skin needling is a special regenerating treatment that safely penetrates deep into the underlying layers of skin, aiding the repair and rejuvenation of troubled areas. Skin needling kick starts the body's natural wound healing response underneath the skin. This results in the production and distribution of new collagen to help protect the skin.

The benefits of skin needling includes; treating fine lines and wrinkles, improving skin texture, scarring and stretch marks, pigmentation, balances dry/oily skin, reduces redness, dark circles, large pores, and improves overall skin appearance.

FIBROBLAST

Skin Tag Removal (*each*): \$80

About Fibroblast:

The Purebeau Fibroblast hand-piece produces at its tip a tiny, so-called plasma flash, which helps treat all of the above. Fibroblast targets age-warts, fibromas, skin-coloured naevi, viral warts, age spots and light damaged skin, fat deposits under the skin of the eyelids, scars, wrinkle smoothing, and lifts eyelids.
